Dear Sir:

Applicant hereby submits a Supplemental Information Disclosure Statement Pursuant to 37 C.F.R. § 1.97(d). The requisite fee accompanies this submission.

A Notice of Allowance for this application was mailed October 21, 2009.

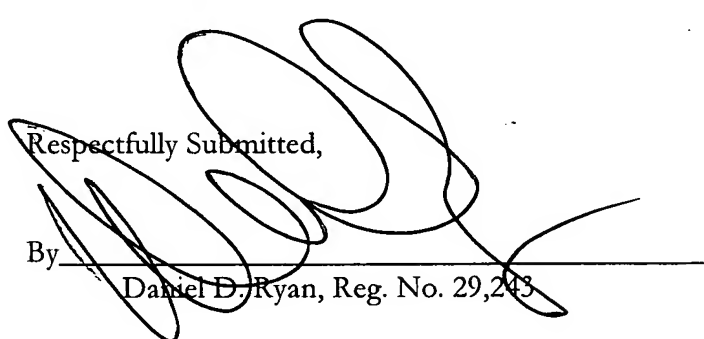

The Supplemental Information Disclosure Statement lists an Office Action (Interview Summary) received on 7 January 2010 at the conclusion of a personal interview with Examiner S. Tran (Art Unit 1615) conducted 7 January 2010 in related Application Serial No. 10/475,254 (the "Related Application"). The Supplemental Information Disclosure Statement also lists Krishnan US 6,316,469, which was first cited by Examiner Tran during the course of the interview on 7 January 2010. At the conclusion of the interview, Examiner Tran suggested, in order to place the claims pending in the Related Application in condition for allowance, to amend the claims to recite "consisting essentially of" for both method and composition aspects of the claims. During a follow-up interview by telephone on Monday, January 11, 2010, further amendments to the claims were discussed with Examiner Tran, as recorded in Amendment F submitted in the Related Application (also listed in the Supplemental Information Disclosure Statement). During the follow-up interview, Examiner Tran indicated that, upon receipt of Amendment F, the Second Supplementing Declaration of Nimish Vakil, MD (previously submitted to Examiner Young with the Supplemental

Information Disclosure Statement Pursuant to 37 C.F.R. § 1.97(d) filed 4 January 2010), and Terminal Disclaimers based upon the allowed claims in the instant application and companion application Serial No. 11/544,750, she would enter the agreed-upon amendments to the claims in the Related Application by Examiner's Amendment, to place the claims in condition for allowance.

No item of information contained in the Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart application and, to the knowledge of the undersigned attorney of record, after making reasonable inquiry, was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

Respectfully Submitted,

By
